We are on the move !!!

We are excited to announce that effective June 22, 2009 we will begin our 48th year in business at our new headquarter offices in Cromwell, CT.

This new facility provides us with twice the space, offering us room for recent employee additions as well as room to grow. Along with this new facility come significant improvements in our meeting/training facilities, telephone system and Internet services.

Even during this challenging business climate, POND is making significant investments to ensure we provide the most value to our customers today and in the future.
